

AI INNOVATION DAY

INTRODUCING THE IDEA_LAB:

A digital transformation that is geared toward securing democracy, social justice, and sustainable development requires innovative, research-based solutions. In this context, the AI Innovation Day is dedicated to the IDea_Lab, which aims to serve as a hub for the expansion of interdisciplinary research through the development and application of modern AI-based methods at the University of Graz. In addition to the inaugural lectures by IDea_Lab professors, the AI Innovation Day also provides an opportunity for exchange with faculties and partner universities, as well as the presentation of successful research projects that use or could benefit from modern AI-based methods.

TIME:

*October 17, 2025
9:00 a.m. - 6:00 p.m.*

PLACE:

*HS 62.01 Alumni-Hörsaal
Universitätsplatz 3a, 8010 Graz*

PARTICIPATE WITH A PRESENTATION OR POSTER!

Do you want to present a research project in which you successfully leveraged modern digital methods like machine learning or big data analysis? Or an ongoing project or project idea that has the potential to greatly profit from such methods?

INTERESTED?

AI INNOVATION DAY

PROGRAM OVERVIEW

WELCOME

09:00 - 09:15 a.m.

INAUGURAL LECTURE

From Digital Traces to
Democracy: Understanding
Complex Social &
Computational Systems

Univ.-Prof. Dr. Jana Lasser

09:15 - 10:15 a.m.

----- 15 minutes break -----

INAUGURAL LECTURE

From Prior Knowledge
to Posterior Insight:
Probabilistic Models in
Machine Learning

Univ.-Prof. Dr. Martin Holler

10:30 - 11:30 a.m.

----- 15 minutes break -----

PRESENTATION

Organization and Main Topics of
the IDEa_Lab

Dipl.-Ing. (FH) Michael Freidl, MA

11:45 a.m. - 12:45 p.m.

----- 1 hour lunch break -----

PRESENTATION

Digitization and AI Strategy
@ University of Graz

VR Univ.-Prof. Dr. Markus Fallenböck

01:45 - 02:00 p.m.

PRESENTATIONS

various external research groups

02:00 - 03:30 p.m.

POSTER SESSION

03:30 - 06:00 p.m.
